Conference Description

The National Conference on Worker Safety and Health (#COSHCON18) is the only national conference of its kind in the country. We provide a unique opportunity to reach a targeted audience in an intimate setting that offers exhibitors one-on-one contact with attendees. Event exhibits are a valuable promotional tool and benefit your company with: targeted face-to-face marketing; image building opportunities; increased exposure within the field; networking; and visibility in our widely circulated program book.

Audience

#COSHCON18 draws a distinct, bi-lingual audience of approximately 300 working people, academics, government agencies (OSHA, CDC, NIOSH, etc.), union members and leadership, workplace safety advocates, young and veteran academic, public health and legal professionals and occupational health and safety consultants - all of whom are motivated to implement strategies for the highest levels of workplace protections.
