NATIONAL CONFERENCE ON WORKER Safety & Health

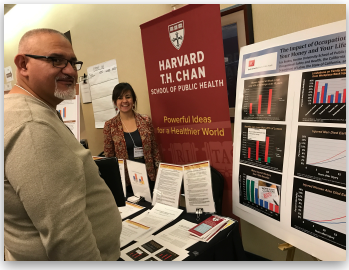
COSH

The National Council for Occupational Safety and Health Invites you to exhibit at the
2018 National Conference on Worker Safety and Health
December 4-6, 2018 in Baltimore, MD at the Maritime Conference Center

Don't miss this exciting opportunity to showcase your occupational health and safety program, project or research to individuals who want to remain on the cutting edge of the field!



Conference Description

The National Conference on Worker Safety and Health (#COSHCON18) is the only national conference of its kind in the country. Our focus on worker-centered solutions offers exhibitors a unique opportunity to speak directly with people who are on the front lines, advocating for better work conditions every day. Event exhibits and/or projects or research posters are a valuable tool and benefit your organization with: exposure to the people who work on occupational health and safety every day; increased exposure within the field; networking with workers, activists and scholars; and visibility in our widely circulated program book.

Audience

#COSHCON18 draws a distinct, bi-lingual audience of approximately 300 working people, academics, government agencies (OSHA, CDC, NIOSH, etc.), union members and leadership, workplace safety advocates, young and veteran academic, public health and legal professionals and occupational health and safety consultants - all of whom are motivated to implement strategies for the highest levels of workplace protections.

CONNECT INSPIRE ACT

Posters

Presenting a poster at #COSHCON18 is an opportunity to help conference attendees learn about your organization's/agency's/student's community occupational health and safety projects and research. Posters should provide an overview of the project or research by displaying graphs, photos, diagrams and a small amount of text on the poster boards. Poster Sessions will take place in the Conference Expo area and attendees vote for their favorites. Exhibitors are eligible to submit a poster idea. Posters should give viewers a high-level overview of projects or research that presenters are involved with. There is no additional charge for attendees or exhibitors to submit poster ideas.

*To be eligible to present a poster, submit one brief poster abstract (*no more than 250 words*) by October* **13th** *to National COSH Co-Director Marcy Goldstein-Gelb at marcy@nationalcosh.org. Notification of accepted posters will be sent via email by October 31st.*
For more information and poster specifications see our website.
