ABOUT COSHCON2023

The National Conference on Worker Safety and Health is the only national conference of its kind in the country. We bring together a diverse, inclusive and bilingual group of participants united around common goals: empowering workers, making our workplaces safer and reducing the toll of on-the-job injuries, illnesses and fatalities.

COSHCON2023 AUDIENCE

Meet our distinct, bi-lingual audience of approximately 300 workers, union members and leadership, workplace safety advocates, young and veteran academic, public health and legal professionals and occupational health and safety activists - all of whom are motivated to implement strategies for the highest levels of workplace protections.

LOCATION

High-traffic, major corridor centrally located near break area and registration for maximum interaction with participants

NETWORKING

Unique opportunity to reach a your audience in an intimate setting that offers one-on-one contact with attendees

INTERACTIVE
