**ARE YOU LOOKING FOR TOOLS, TIPS AND TRAINING TO WIN
SAFER WORKING CONDITIONS FOR YOUR MEMBERS?**

**Join us at the National Conference on
Worker Safety and Health (COSHCON2025)
October 8-10, 2025 in Chicago, IL**

COSHCON2025 is a dynamic, action-packed conference bringing together worker leaders, advocates, and organizers who are committed to building worker power and fighting for safe, healthy, and just jobs. Over three days, participants will engage in interactive workshops, inspiring panels, and meaningful networking with more than 350 leaders from unions, worker centers, and national and local organizations.

This year, in partnership with the University of Illinois Chicago School of Public Health, we're delivering our most expansive and impactful program yet, packed with strategies and tools to drive real change.

Gain skills to:

- Use worker legal rights strategically to win safer conditions and strengthen unions
- Build effective health and safety committees that engage union reps and members
- Tackle workplace hazards like heat, chemical exposure, and disaster preparedness, and much more
- Secure strong health and safety contract language through proven bargaining models
- Develop organizing strategies that build power and leadership
- Master training and education methods to grow a new generation of worker-trainers

Plus: Bilingual sessions English <> Spanish, Health & Safety Expo, Awards Banquet honoring worker safety champions, Live Music, Networking & More!
