

The National Council for Occupational Safety and Health Invites you to exhibit at the **2019 National Conference on Worker Safety and Health** December 3-5, 2019 in Baltimore, MD at the Maritime Conference Center (Expo dates: December 3-4, 2019)

Don't miss this exciting opportunity to reach a new and unique audience in an intimate setting to showcase your products and services to individuals who want to remain on the cutting edge of the field!

Conference Description

The National Conference on Worker Safety and Health (#COSHCON19) is the only national conference of its kind in the country. We bring together a diverse, inclusive and bilingual group of participants united around common goals: empowering workers, making our workplaces safer and reducing the toll of on-the-job injuries, illnesses and fatalities. Our focus on worker-centered solutions offers exhibitors a unique opportunity to speak directly with people who are on the front lines, advocating for better work conditions every day.

Audience

#COSHCON19 draws a distinct, bi-lingual audience of approximately 300 working people, academics, government agencies (OSHA, CDC, NIOSH, etc.), union members and leadership, workplace safety advocates, young and veteran academic, public health and legal professionals and occupational health and safety consultants - all of whom are motivated to implement strategies for the highest levels of workplace protections.

About the Expo

The #COSHCON19 Expo is located in a high-traffic, major corridor which is centrally located for maximum interaction with participants. There are two dedicated sessions (one on Tuesday and one on Wednesday) for participants to experience the Expo with product demos, a passport contest and opportunities during breaks for meeting participants. In addition, we offer flexibility to create opportunities to find your specific audience. Event exhibits are a valuable promotional tool and benefit your company with: targeted face-to-face marketing; image building opportunities; increased exposure within the field; networking; and visibility in our widely circulated program book and on the National COSH website. We provide a unique opportunity to reach a your audience in an intimate setting that offers one-on-one contact with attendees.

CONNECT INSPIREACT

Posters

Presenting a poster at #COSHCON19 is an opportunity to help conference attendees learn about your organization's/agency's/student's community occupational health and safety projects and research. Posters should provide an overview of the project or research by displaying graphs, photos, diagrams and a small amount of text on the poster boards. Poster Sessions will take place in the Conference Expo area and attendees vote for their favorites. Exhibitors are eligible to submit a poster idea. Posters should give viewers a high-level overview of projects or research that presenters are involved with. There is no additional charge for attendees or exhibitors to submit poster ideas.

To be eligible to present a poster, submit one brief poster abstract (no more than 250 words) by **October 14th** to National COSH Co-Director Marcy Goldstein-Gelb at marcy@nationalcosh.org. Notification of accepted posters will be sent via email by October 31st. For more information and poster specifications see our website.
