The Expo @ COSHCON2021 provides a unique opportunity to reach a targeted audience of people focused on workplace safety. The LIVE Expo event allows small group and one on one interaction while virtual booths are available to all attendees before, during and after the event. Exhibitors "host" a Zoom breakout session during the live event and will have virtual booths in the conference app which is the main portal participants will use to access all workshops, keynote presentations, networking events and our 2021 National COSH Awards Program.

EXHIBITOR BENEFITS
